

That keeps your toys in the basement And if you get too far inside

I am the key to the

in the basement And if you get too far inside

lock in your house

That keeps your toys in the basement And if you get too far inside

I am the key to the

lock in your house

That keeps your toys in the basement And if you get too far inside

I am the key to the

lock in your house

That keeps your toys in the basement And if you get too far inside

I am the key to the

lock in your house

lock in your house

That keeps your toys in the basement And if you get too far inside
