

Hello

Hello

Hello

Why Is there anybody

In there?

just *nod* If you can hear me

Is there anyone

come on

come on

come on

come on

now

I hear you're feeling

down

Well I can ease your pain

Get on your

again

feet

feet

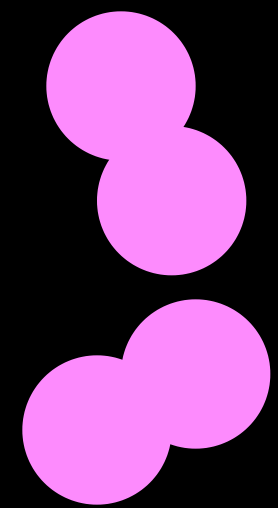

relax

**I need some information
first**

Just the basic facts

Where it hurts? Can you show me

There is no pain
You are receding

A distant shin smoke on the horizon

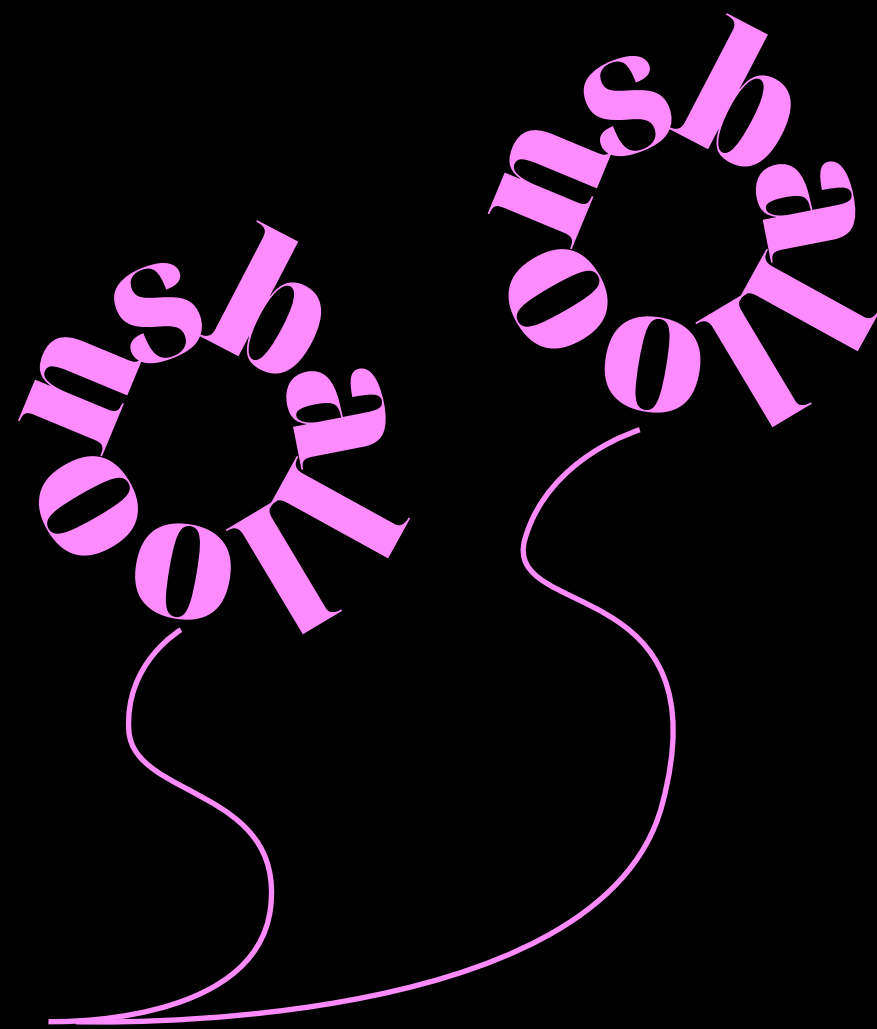

[illegible]

**Your lips move but I can't hear
what you're saying**

When I was a child I had a fever

My hands felt just like two

Now I've got that feeling once

again

again

again

again

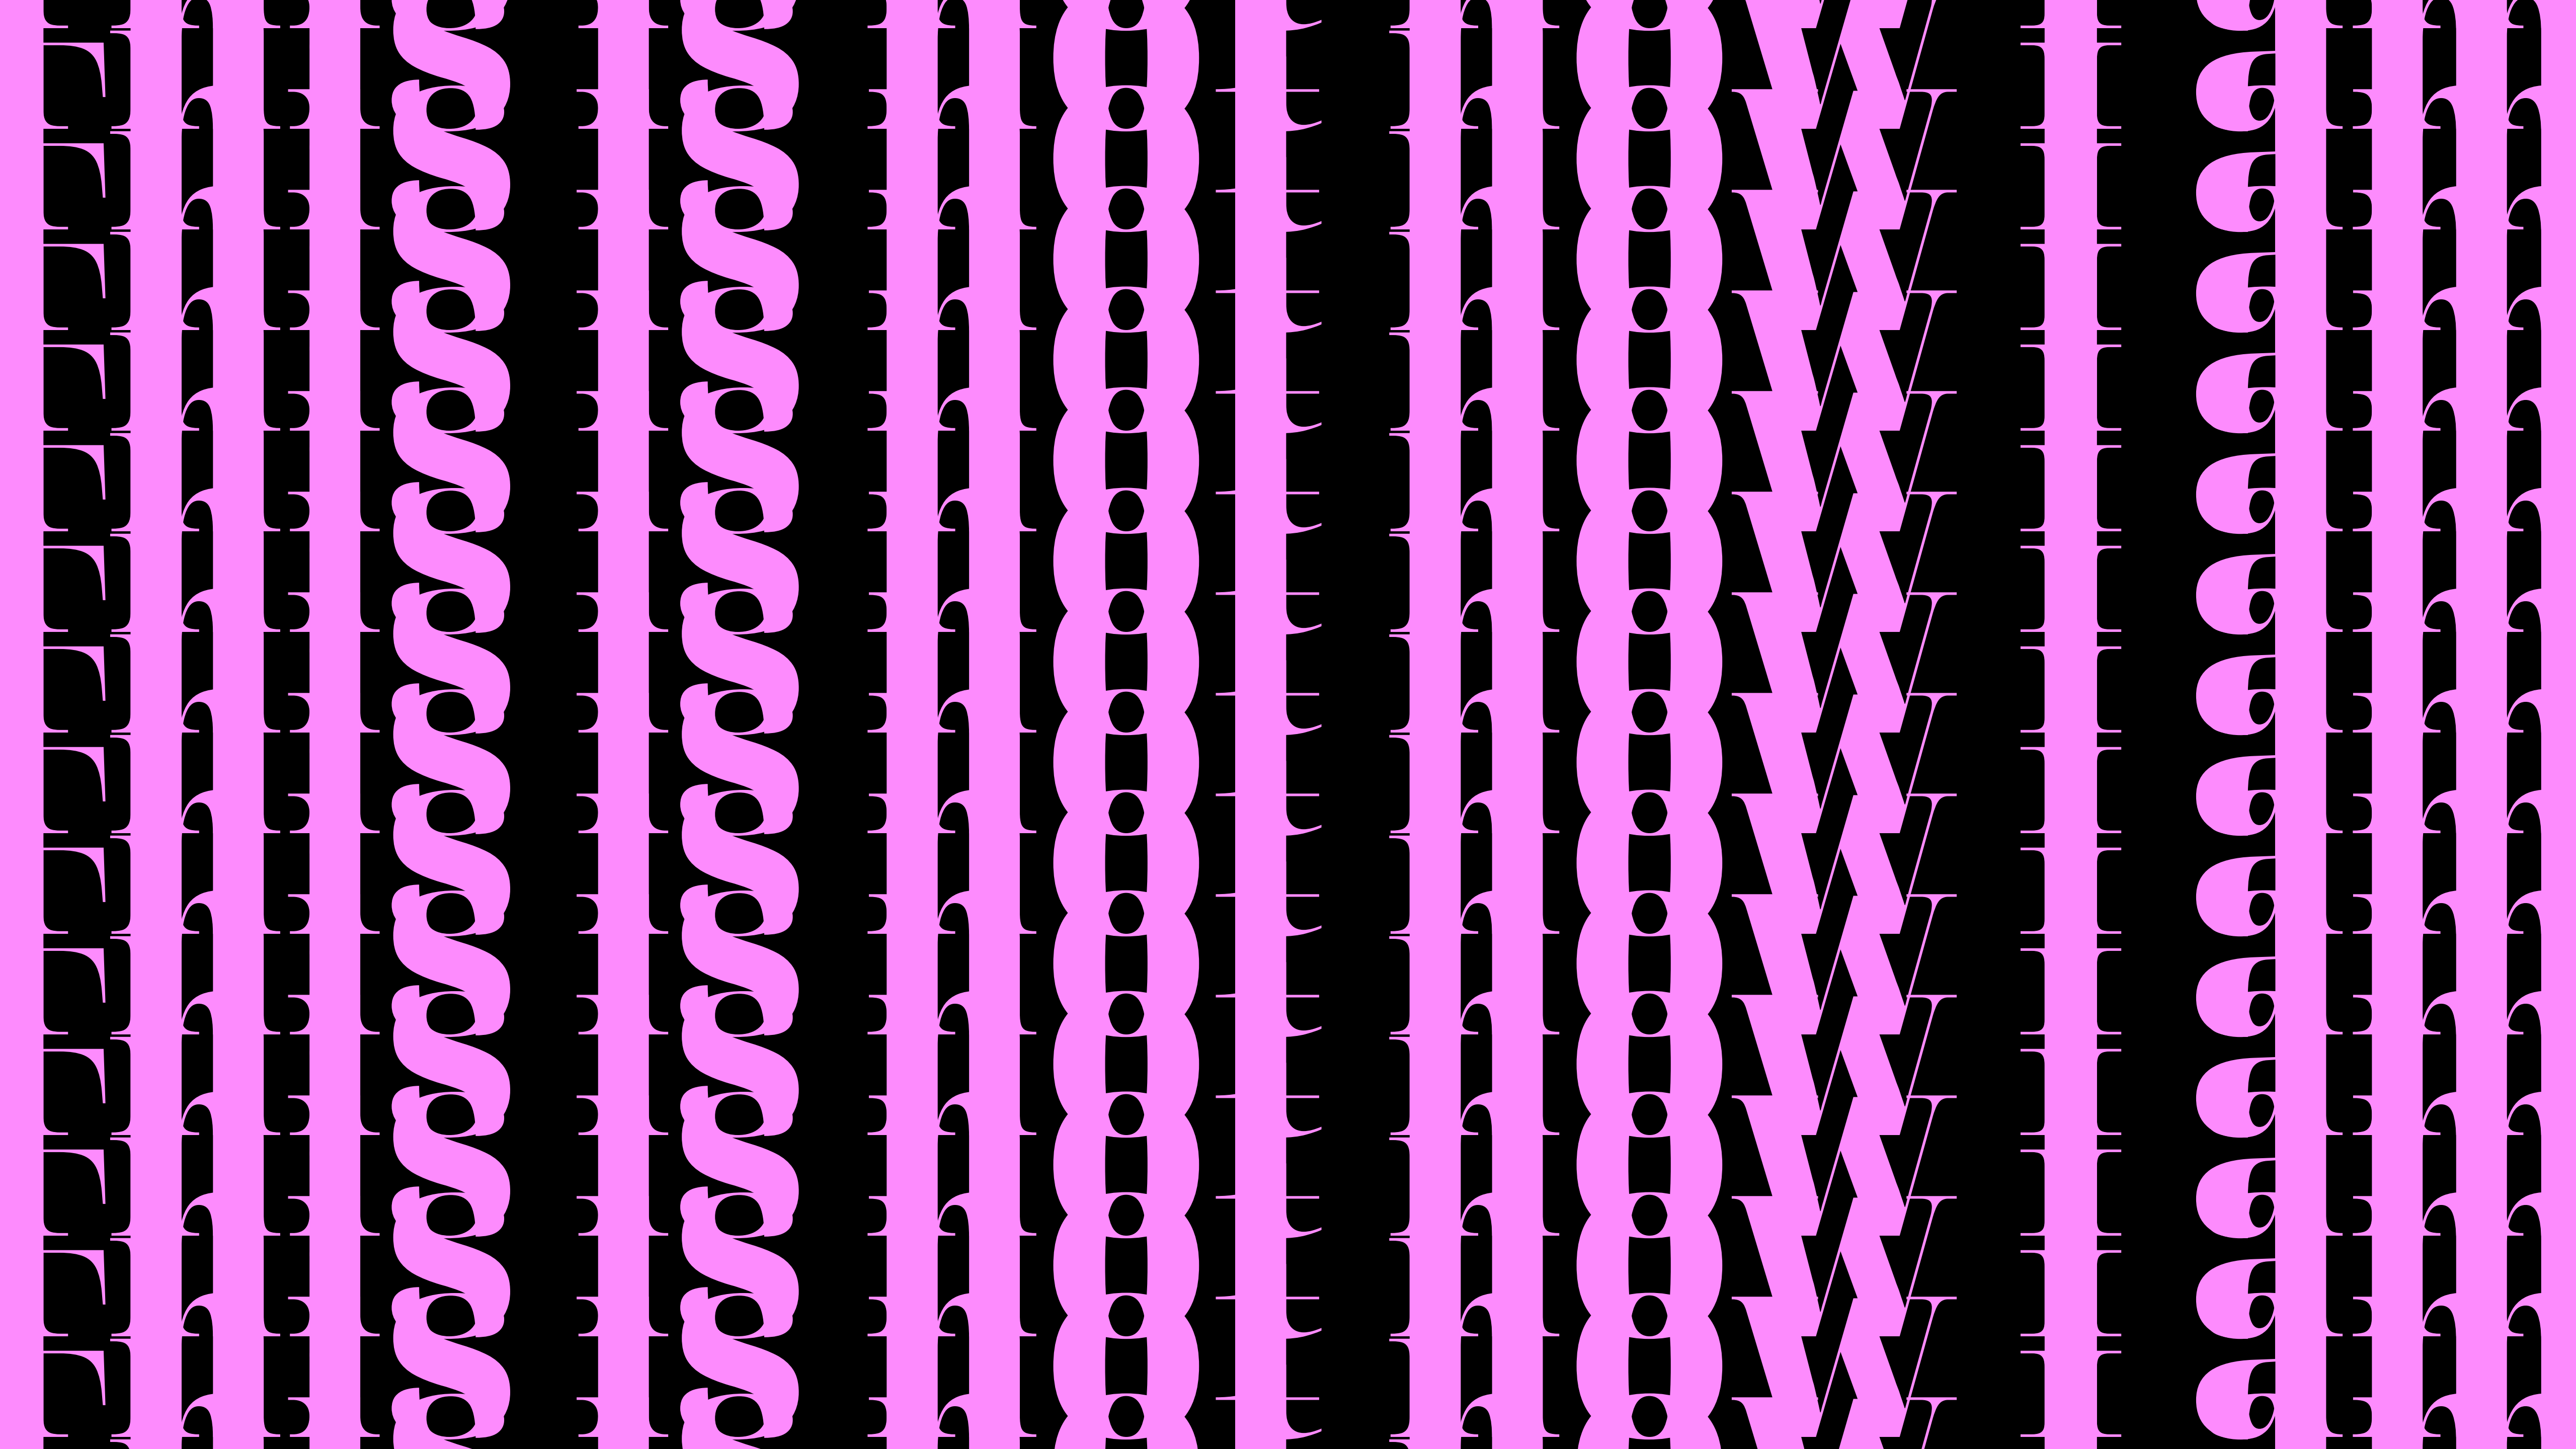

again

again

again

again

**I can't explain
you would not understand**

I have become comfortably numb
I have become comfortably numb

comfortably numb
